

THE O.P. GUPTA

ADVANCED MATH CLASSES

Class XII - Mathematics (041)

Topics - Probability

Alpha Test Series-13

(For Academic session 2025-26)

Max. Marks - 30

Time - 60 Minutes

For Video Solutions
CLICK HERE

Followings are of 2 Marks each (Q01-05).

- Q01.** Two cards are drawn successively with replacement from a well shuffled pack of 52 cards. Find the probability distribution of the number of kings.
- Q02.** Two integers are selected at random from the integers one to eleven. If their sum is even, what is the probability that both the numbers are even?
- Q03.** Show that $\bar{E}$ and $\bar{F}$ are independent events, if it is known that E and F are independent events.
- Q04.** If $P(A) = \frac{2}{5}$, $P(B) = \frac{1}{3}$, $P(A \cap B) = \frac{1}{5}$, then find $P(\bar{A} | \bar{B})$.
- Q05.** The ratio of the number of boys to the number of girls in class XII of a school is 1:2. It is known that the probabilities of a girl and a boy getting a first division are 0.25 and 0.28 respectively. Find the probability that student chosen at random will get first division. $[2 \times 5 = 10]$

Followings are of 3 Marks each (Q06-07).

- Q06.** Let A can hit a target 4 times in 5 shots, B can hit 3 times in 4 shots and C can hit 2 times in 3 shots. Find the probability that
- (a) B, C will hit and A will lose
 - (b) Any two of A, B and C will hit
 - (c) None of them will hit.
- Q07.** Two cards from a pack of 52 playing cards are lost. From the remaining cards of the pack, one card is drawn and is found to be heart. Find the probability of the lost cards were both hearts.

OR

A random variable X has the following probability distribution :

X	0	1	2	3	4	5	6	7
P(X)	0	k	2k	2k	3k	k^2	$2k^2$	$7k^2 + k$

Determine the followings :

- (a) k (b) $P(X < 3)$ (c) $P(X > 6)$. $[3 \times 2 = 6]$

Following is of 4 Marks (Q08).

- Q08. CASE STUDY :** According to recent research, air turbulence has increased in various regions around the world due to climate change. Turbulence makes flights bumpy and often delays the flights.

Assume that, an airplane observes severe turbulence, moderate turbulence or light turbulence with equal probabilities.

Further, the chance of an airplane reaching late to the destination are 55%, 37% and 17% due to severe, moderate and light turbulence respectively.

Based on the above information, answer the following :

- (i) Find the probability that an airplane reached its destination late.
- (ii) If the airplane reached its destination late, find the probability that it was due to moderate turbulence. $[2 \times 2 = 4]$

Followings are of 5 Marks each (Q09-10).

- Q09.** By examining the chest X-ray, the probability that T.B. is detected when a person is actually suffering is 0.99. The probability that the doctor diagnosis incorrectly that a person has T.B. on the basis of X-ray is 0.001. In a certain city, 1 in 1000 suffers from T.B. A person is selected at random and is diagnosed to have T.B. What is the probability that he actually has T.B.?

- Q10.** If a machine is set up properly, it produces 90% good items. If it is not set up properly, it produces only 40% good items. Past experience reveals that 80% of the set ups are correctly done. If after a certain set up, the machine produces 2 acceptable items, find the probability that machine was not set up properly. $[5 \times 2 = 10]$

- ① **SHARE THIS FILE** with all other math scholars.
- ① You may **Add our mobile no. +919650350480** to your **WhatsApp Groups** for regular updates.
- ① **MS Word files of MCQ Tests / Subjective Tests / Case-Study Questions are available for SALE.**

We have released Set of 2 Books for CBSE XII Maths (041) useful for session 2025-26.

1. MATHMISSION FOR XII

- ✓ COMPLETE THEORY & EXAMPLES
- ✓ SUBJECTIVE TYPE QUESTIONS
- ✓ COMPETENCY FOCUSED QUESTIONS
 - ✦ Multiple Choice Questions
 - ✦ Assertion-Reason Questions
 - ✦ Case-Study / Passage Based Questions
- ✓ H.O.T.S. Questions from recent exams.
- ✓ Answers of all the Questions of Exercises

2. SOLUTIONS OF MATHMISSION

- ✓ Step-by-step Detailed Solutions (For all the Exercises of MATHMISSION)

Grab the best Seller book for X, XI & XII Maths (041) CBSE Exams.

- ✓ **MATHMISSION FOR XII, XI & X** (Refresher Guide with Competency Focused Questions)

✦ The books are developed as per CBSE Curriculum for 2025-26.

- ✓ **CBSE 39 SAMPLE PAPERS** For Class XII
 - ✓ **CBSE YODDHA SAMPLE PAPERS** For Class XI
 - ✓ **CBSE UMANG SAMPLE PAPERS** For Class X
- (Order now at Discounted rate on WhatsApp - 9650350480)

KEY HIGHLIGHTS

Grab our **MOST LOVED** SAMPLE PAPERS for CBSE Class XII Maths (041) useful for 2026 Board Exams.

- ✓ 1 Official Sample Paper issued in July, 2025
- ✓ 15 Solved Sample Papers
- ✓ 10 Unsolved Sample Papers (with Answers in Book & PDF Solutions)
- ✓ 13 PDF Solved Sample Papers
- ✓ 50% Competency Focused Questions

① You can purchase on **Amazon / Flipkart** or just message on **WhatsApp @ 9650350480**.

① **Bulk-Order** option is also available for the Schools / Coaching Institutes / Tuition Centers.
